Borough Manager's Message

Welcome to the Borough of Seven Fields' Website. I am confident that you will find that this site is a good source of information for your needs, whether you are a Borough resident, local employer, prospective resident, or otherwise. Just like the Borough of Seven Fields is a great place to live, this website is a great tool to browse and gather information.

If you are interested in information that is not on the website, or have comments on our website, please contact me. We appreciate your feedback and will be continuously improving and enhancing the website to make it as useful as possible.

I would also like to take this opportunity to let Borough residents know that there are many opportunities to become more involved and volunteer to serve in your local government. The Borough of Seven Fields has a rich tradition of resident participation in areas such as the planning commission, nature preserve committee, and parks and recreation committee. These committees serve a valuable purpose in providing input and direction to Borough Council on various issues. They also provide a wonderful sense of community and plan a variety of community activities that enhance the quality of life for all residents.

Again thank you for visiting. If you have not been to the Borough of Seven Fields before, feel free to visit us in person as well. We are open to answer your questions and address your needs from 8:00 a.m. to 5:00 p.m. on weekdays, excluding holidays.

In closing, I am honored to be your Borough Manager and I look forward to continuing to serve this wonderful community.

Sincerely,

Thomas B. Smith
