It is with a heavy heart, that Evans City Seven Fields Regional Police Department mourns the loss of Police Officer Kristine Bartman. Officer Bartman joined the Evans City Seven Fields Regional Police Department in March 2015. In her far too short career with our department, Officer Bartman fulfilled her dream by following in the footsteps of her Grandfather and her brother Michael, both of which served and currently serve in law enforcement. Officer Bartman established herself as a standout police officer in Evans City

and Seven Fields where she was loved and respected by those she served. Evans City Seven Fields Regional Police Commission members would also like to express our sincere and heartfelt sympathy to Officer Bartman's husband, Zach, and all of her immediate family and friends. She will forever be in our hearts and minds as we carry on in her honor.
