Thank you for your service to the Borough James Lefcakis

At the Council meeting on Monday, August 10th Council accepted the resignation of James Lefcakis from the position of Emergency Management Coordinator (EMC). Jim has served as the EMC since 2006 and his efforts have been much appreciated. Working closely with Borough Officials, Jim has enforced the Emergency Operations Plan working to ensure the safety and emergency preparedness of all Borough residents. We wish him and his family well as they make their new home in Adams Twp.

Evans City/Seven Fields Regional Police Department

The July months-end report provided to Council at the meeting on Monday, August 10th revealed 135 calls and 31 citations written within Seven Fields Borough.
Residents are asked to call 911 for ALL police matters.

VOLUNTEER NEEDED EMERGENCY MANAGEMENT COORDINATOR

The Borough is currently seeking a volunteer to serve as the Emergency Management Coordinator (EMC). The responsibilities and functions of the EMC are listed below and require actions which are common to all types of major emergencies or disasters, (i.e. dangerous storms, hazardous materials accidents, nuclear incidents).

- A. Prepare, maintain and keep current a disaster emergency operations plan for the prevention and minimization of injury and damage caused by a major emergency or disaster, prompt and effective response to a major emergency or disaster and emergency relief and recovery in consonance with the Butler County Emergency Management Plan.
- B. Initiate and maintain coordination and cooperation with the Butler County Emergency Management Agency (BCEMA), and provide prompt information as requested.
- C. Identify hazards that may affect the municipality. In coordination with the Butler County Emergency Management Agency (BCEMA) and based upon its Hazards Vulnerability Analysis, determine what hazards could potentially impact upon the Borough.
- D. Identify resources within the municipality that can be used to respond in a major emergency or disaster situation and report "unmet" needs. This should include both public and private resources and mass care facilities.
- E. Develop and maintain an emergency management organization and a trained staff appropriate for the needs and resources of Seven Fields Borough. The staff must be capable of maintaining 24 hour operations.
- F. Mobilize, direct and coordinate the emergency management staff during an emergency.
- G. Develop standard operating procedures (SOP) in coordination with the staff to carry out their responsibilities and functions and the functions of the Emergency Operations Center.

Anyone interested should submit a letter of interest to the Borough Manager.

The office address is 2200 Garden Drive, Suite 100, or
submit via email at boroughmanager@sevenfields.org

Farewell to Familiar Faces

As the summers end is quickly approaching and the pool closes for the season we say farewell to some familiar faces! The lifeguard staff at the Seven Fields Borough Town Park Pool has worked together to create an enjoyable environment while ensuring our safety as we swim and relax poolside over the past several months. As a community we say thanks to each of them and wish them the best as they return to their studies.

School Bus Stop Safety

For the safety of Borough children at school bus stops, drivers are reminded of the traffic regulations regarding school bus stops. Drivers are advised to use extreme caution and to slow down at or near school bus stops, especially before day light, while children and parents are waiting for the school bus to arrive.

Parents are asked not to park on both sides of the street while waiting for the school bus to arrive. It causes congestion and could create a safety hazard. Parents are also asked to turn on their parking lights or 4-way flasher lights while waiting in the dark for the school bus and **not to park close to the intersection.**

Ordinance No. 46 was amended in September 2006 to prohibit standing and **on-street parking at all school bus stop locations between the hours of 6:00am—9:00am and 3:00pm— 6:00pm, Monday-Friday** as established annually by the Seneca Valley School District by August 15th of each year.

Such prohibited parking areas are marked by a yellow painted line on the curb at a distance of 200 feet in each direction along the main street and 100 feet along the minor street(s) in distance. Any person or persons who shall violate or fail, neglect or refuse to comply with any of the provisions of this ordinance shall, upon conviction thereof, be sentenced to pay a fine of not more than \$300 together with costs of prosecution, or to imprisonment in the county jail for term not to exceed 30 days, or both.

The vehicle code states that when a school bus is preparing to stop and its yellow lights are flashing, drivers must prepare to STOP. When a school bus stops and its red lights are flashing and its stop arm is extended, **drivers must STOP at least 10 feet away from the bus**, whether you are behind the bus, coming toward it on the same roadway or approaching an intersection at which the school bus is stopped. Drivers may proceed after the lights stop flashing and the arm has been withdrawn.

When you see a school bus with lights flashing and arm extended in the neighborhood, PLEASE STOP! It's the law and it may keep a child from getting injured.

Keeping You Posted!

With increased outdoor activities during the summer months, **please be sure your lamp posts are in working order.**

As the only source of lighting in some areas, they are an important way to help cut down on crime.
