## **Ordinance #66 Section VI**

### **Trimming of Trees and Other Plants Along and Above Sidewalks**

...shall be the duty of such occupants and owners as aforesaid at all times to keep hedges, bushes, shrubbery and trees so trimmed as not to obstruct the sidewalk...or with the view of motorists at and along intersecting streets

...limbs of trees shall be deemed an obstruction if they are permitted to overhang the sidewalk at a **height of less than seven (7) feet...**

Borough Officials are actively enforcing the Ordinance.

Take the necessary steps to be aware and be compliant—avoid the fine.

The full ordinance can be found online at [www.sevenfields.org](http://www.sevenfields.org)

- **Spring showers bring wet driving conditions:** Slow down on slick roads, and increase your following distance even when mist begins to fall. Just a small amount of water can mix with oil and grease on the road to create slippery conditions.
- **Share the road:** Warm weather brings out motorcyclists, bicyclists and pedestrians.
- **If possible, go around potholes:** Deep potholes can throw your car out of alignment or worse, forcing you to buy a new wheel and a new tire.
- **Avoid driving through large puddles:** Driving through water can impair your brakes, cloud your vision, or cause you to hydro-plane.
- **Keep your tires properly inflated:** Full tires can reduce the damage caused by potholes and other road hazards.

**ON-STREET PARKING RESTRICTIONS**

The on-street parking restriction between 2:00 to 6:00 am is not just for snow removal. The need for rapid responses to fires and other emergencies is crucial for saving lives and property. The space that emergency responders need can vary considerably, depending on the (1) kind of fire apparatus and other emergency response equipment required and chosen by the department, (2) the type of incident and (3) the design of the neighborhood's streets.

Illegally parked vehicles could potentially impede access for emergency vehicles and emergency personnel. In an emergency, a few seconds literally can mean the difference between life and death.

The Evans City/Seven Fields Regional Police Department will be actively enforcing the Borough Parking Ordinance #46 - Providing Rules and Regulations for Parking and Operation of Motor Vehicles in the Borough.

Noncompliance will result in a warning notice being issued along with a \$25 penalty in accordance with Ordinance 80.
