A Note from Running Candidate for Borough Council
Dr. Michael Trotta

I am a very proud resident of Seven Fields. I have been a resident since 2000 and have enjoyed being a part of Borough Council for two previous terms. I believe that we have a community that keeps itself safe (Regional Police Department), strong (annual funding of infrastructure) and financially secure (low tax rate and great budgeting). It is my desire to rejoin Council and continue those legacies.

Seven Fields is the community I chose to raise my children in and is the one I want others to enjoy doing the same. I believe we have a great environment for all to live in. I believe with continued strong leadership from Borough Council and invaluable input from the community we can continue to stay vibrant and alive for the long run.

A Note from Running Candidate for Borough Council
Dawn Servello

This past summer, my family and I have reached a milestone of living in Seven Fields for 20 years! We have enjoyed living in our community and I am excited to continue to serve Seven Fields on the Council. We, as a Council have continued to keep our local property taxes low with no tax increases in the past 8 years while continuing to make improvements such as road resurfacing, safety material for the playgrounds, new Seven Fields monument signs, and renovations to the community center, including a new metal roof and interior improvements. We also established the popular Annual Beer and Wine Fest and the Food Truck Nights. I am proud to be part of the Evans City/Seven Fields Regional Police Commission which has provided our community with greater police presence and public safety.

I have enjoyed hearing from residents and seeing the improvements in our Borough. I love seeing neighbors become more involved and participating at our community events. I look forward to serving Seven Fields for another term and being a part of this great community and would appreciate your vote.
