NATIONAL FIRE PREVENTION WEEK

Keeping Your Home Safe

Fire Prevention

**CHECK YOUR
SMOKE DETECTORS**

20%

of homes have smoke detectors that **do not** work or are missing batteries.

2x

Working smoke alarms can **double your chances of survival** in a fire.

Replace batteries **twice a year** and keep alarms free of dust.

Smoke alarms should be installed on **every floor** of your home.

KNOW THE RISKS

10

There is a house fire **every ten seconds** in the U.S.

30

Home fires can spread in as little as **thirty seconds**.

Make sure that your family has a **fire escape plan** for your home and practice it regularly.

Cooking is the **leading cause** of house fires.

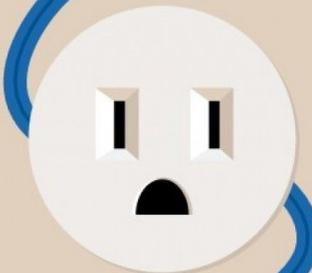

More than **15,000** fires a year are started by clothes dryers. Clean the vents at least once a year.

Remember: If there's ever a fire, **GET OUT, STAY OUT and CALL** for help.

MAINTAIN YOUR ELECTRICAL SYSTEM

Electrical fires can be caused by: broken wires, wire insulation drying out, loose switches or receptacles, and overheating caused by dirt and oil.

Get your electrical system checked by a licensed electrician **every four years**.

Faulty wiring is the number one cause of electrical fires. **The warning signs?** Flickering lights; breakers that always trip; fuses that blow; a burning smell when you plug in appliances; outlets and switches that spark; and discolored wall outlets.

COUNCIL NEWS / BRIEF

Council met on Monday, September 14th and approved the following:

- Borough Council recognized Seven Fields residents Sydney Brower and Sonya Dietz from Girl Scout Group 26667 for their work painting storm drains in the Borough to remind residents to keep the drains clear.
- Borough Council approved the painting of lines along Mars Crider Road. The painting of these lines, along with the recently installed crosswalks and signage, are PennDOT approved traffic calming techniques being utilized by the Borough to slow speeding on Mars Crider Road. The bid for this work was awarded to PLP Co. for the amount of \$2,290.
- Borough Council approved a proposal from Guardian Storage for decorative brick crosswalks to be installed at the Seven Fields Town Park.
- Borough Council voted to conduct a feasibility study on the Town Park Pool with DCNR.

The next Council Meeting is scheduled for October 12, 2020—All meetings are open to the public and residents are encouraged to attend. Meeting Minutes and additional information can be found online at www.sevenfields.org

EVANS CITY/SEVEN FIELDS REGIONAL POLICE DEPARTMENT

Welcome Officer Bradley Gicopoulos

Evans City/Seven Fields Regional Police Department

Please welcome Officer Bradley Gicopoulos. He will be joining the Evans City/Seven Fields Regional Police Department in October. Officer Gicopoulos comes to Seven Fields from South Lyon, Michigan where he graduated from Northern Michigan University with a Bachelors of Science Degree.

Officer Gicopoulos moved to Pennsylvania in 2018 to be closer to his family and has since graduated from the Police Academy of Community College of Beaver County. When graduating from the Academy, he received the Leadership Award for his police academy class.

ARE YOUR HALLOWEEN TRADITIONS A TRICK OR A TREAT?

TRICK

THE HOTTEST COSTUME

Costumes can catch fire! Avoid costumes with billowing or long trailing fabric. If you are making your own costumes choose fire-resistant materials.

MiSmaTched

Never use electrical products outdoors that are marked "for indoor use." You could get shocked - or worse!

HIGH AND DRY

Dried flowers, cornstalks, hay and crepe paper are highly flammable. Keep them away from open flames and other heat sources - including light bulbs and heaters.

FREE AND CLEAR

Never block exits or escape routes.

TREAT

CONNECTION INSPECTION

Always inspect each decoration before use and discard any with cracked, frayed, or bare wires.

CERTIFIED SAFE

Use only electrical lights and decorations that are approved for safe use by a nationally recognized testing laboratory such as UL, Intertek (ETL), or CSA.

POWER DOWN

Always turn off electrical decorations and extinguish any open flames before leaving home or going to bed.

Guiding Light

Use a flashlight or battery-operated candles in a jack-o-lantern. If you must use a real candle, use extreme caution as it can start a fire or burn someone.

Borough Council and Mayor Baer would like to thank Sydney and Sonya from Girl Scout Troop 26667 who are working on their Silver Award Project. As you may have seen around Seven Fields, the girls are painting signs near storm drains to remind residents to keep them clear. If you are interested in donating to their cause, please reach out with paint donations only (please no cash or gift cards) to troop leader, Tatiana Brower, at gstroop26667@gmail.com.

Sydney and Sonya are looking for any of the following paint in gallon buckets in the colors of white, bright blue and/or bright green—12 white and 6 of the colors. The gallons range in price from \$25 to \$48 at retail.

- Home Depot: Rustoleum Traffic Striping Paint
- Sherwin Williams: PRO-PARK Waterborne Traffic Marking Paint
- Lowe's: Aexcel Acrylic Marking Paint
- Benjamin Moore: Insl-x Latex Traffic Paint
- Ace Hardware: Ace Traffic Zone Marking Paint (Latex)
- Walmart: Rustoleum Traffic Zone Marking Paint

Please contact Mrs. Brower and she will gladly pick up the donations! Thank you!
